

Supply • Strategic Sourcing • Logistics Support

1. COMPANY OVERVIEW

Buna Ventures LLC provides dependable supply and procurement solutions for government agencies and prime contractors. We specialize in sourcing, compliant purchasing, and mission-focused delivery of electrical, industrial, safety, HVAC, and facility supplies—on time, on budget, and in full compliance with federal and state requirements. Our network of vetted suppliers and logistics partners ensures reliable performance wherever the mission takes you.

2. CORE COMPETENCIES

- **Electrical and industrial supplies** — components, tools, and maintenance materials
- **Safety/PPE, janitorial, and disposable products** — workplace and facility essentials
- **HVAC parts and hardware sourcing** — OEM, aftermarket, and hard-to-find items
- **Supplier identification and competitive sourcing** — deep network and market reach
- **Product specification verification and brand-name-or-equal sourcing** — accuracy, compliance, and performance assurance
- **Logistics and delivery coordination** — freight, expediting, kitting, and consolidation
- **Nationwide sourcing support** — single-point coordination across all 50 states
- **Vendor quote analysis and cost comparison** — transparent evaluation to drive value

3. DIFFERENTIATORS

- **Founder-led technical and operations experience** ensures accurate specification matching and mission-ready solutions.
- **Rapid supplier identification and quote development** shortens turnaround time and accelerates procurement cycles.
- **Responsive small-business structure** with a nationwide supplier-based fulfillment model delivers flexibility and reach.
- Support for sourcing strategies that achieved **up to 10% budget savings** through competitive sourcing and vendor analysis.
- **Schedule-focused coordination** contributing to **95%+** on-time fulfillment performance and continuous mission support.

4. KEY PERSONNEL EXPERIENCE

- Led supplier coordination, inventory planning, and equipment support in high-reliability semiconductor operations.
- Managed budgets, forecasts, schedules, and operational priorities supporting continuous production.
- Directed cross-functional teams and vendor relationships with emphasis on safety, quality, and on-time execution.
- Supported process improvements that improved procurement responsiveness and reduced delays by **up to 15%**.
